

BUSINESS OWNERS & CORPORATE OFFERING

EXANTE facilitates access to global markets for public companies, holdings and non-licensed financial companies.

www.exante.eu

Minimise risk and tap into the scalable assets from 50+ global exchanges.

Asset segregation is built directly into MiFID II-led compliance procedures. Funds are stored separately with trusted custodians.

Why EXANTE?

Financial security

- Clear and transparent fee structure
- Strategic fund allocation in liquid securities over traditional bank deposits
- A dedicated reserve account to initiate new opportunities
- Referral program access to optimise strategies

Variety of products

- Unlock 50+ markets and 1,000,000 instruments
- Customisable proprietary trading technology
- Access to EXANTE's clearance and custody services

Personal service

- A dedicated account manager to navigate compliance, asset transfers, withdrawals and more
- Premium, 24/7 customer service across numerous channels

About EXANTE

EXANTE has provided investors with Direct Market Access to established and exotic instruments from the world's leading markets for over a decade.

The EXANTE trademark is owned by XNT LTD regulated by MFSA (Malta). The platform is licensed to a family of brokers regulated by the FCA (UK), CySEC (Cyprus), and SFC (Hong Kong).

EXANTE offers private and corporate services, classic products, derivatives and OTC assets — all from a single account.

Our distributed IT infrastructure (1,100+ servers across the globe) facilitates low latencies and zero slippage.

EXANTE is global by nature, employing 600+ professionals from over 60 countries.
